Winter Haven, FL

Location Overview

Winter Haven is a city in Polk County in Central Florida, positioned approximately one hour southwest of Orlando and one hour northwest of Tampa along the Interstate 4 corridor. According to the U.S. Census Bureau, the city had an estimated population of 62,313 residents in 2025, representing growth of 23.9% since the 2020 Census. Winter Haven is widely recognized as the "Chain of Lakes City" because of its interconnected lake system and was also given the moniker "Water Ski Capital of the World" due to the area's long history of water sports activity (Visit Florida, 2026).

Recreation

Winter Haven is home to numerous recreation options, including theme parks, lakes, cultural venues, and outdoor recreation assets. The largest attraction is LEGOLAND® Florida Resort, a 150-acre destination that includes more than 50 rides, attractions, and shows. The resort is home to a water park, themed accommodations, SEA LIFE Florida, and the adjacent Peppa Pig Theme Park. Located on the historic Cypress Gardens site, the resort preserves portions of the original botanical gardens established in 1936. Beyond LEGOLAND®, the Chain of Lakes system remains one of Winter Haven's defining recreational assets due to the nearly 50 lakes that are located within or adjacent to the city. Less than a 10-minute drive from the property, Lake Silver hosts demonstrations and performances by the Cypress Gardens Water Ski Team, a world-renowned team that has been performing in Florida for over 50 years.

Economy

Winter Haven functions as one of the principal population and employment centers within the metropolitan service area and serves as an important hub between the Tampa Bay and Orlando metropolitan regions. Major employment sectors within the Lakeland-Winter Haven metropolitan area include tourism, healthcare, logistics and distribution, education, and retail trade (Central Florida Development Council, 2026). Significant regional employers include Publix Super Markets, Polk County Public Schools, Lakeland Regional Health, Walmart, and Amazon. Publix Super Markets recently opened a new 46,000-square-foot store just 15 minutes from Cypress Cove as well as reopened an updated 55,000-square-foot store just a 10-minute drive from the property. In addition, a new 20-acre mixed-use development, Haven Square, is currently under construction less than a 15-minute drive from the property and will be anchored by a SuperTarget, the first Target in Winter Haven.

The Winter Haven Economic Development Council reports that the city has ranked among Florida's fastest-growing municipalities during recent years and continues to attract new residents and development activity due to its central location, expanding employment base, and regional accessibility (Winter Haven Economic Development Council, 2026).

Notes

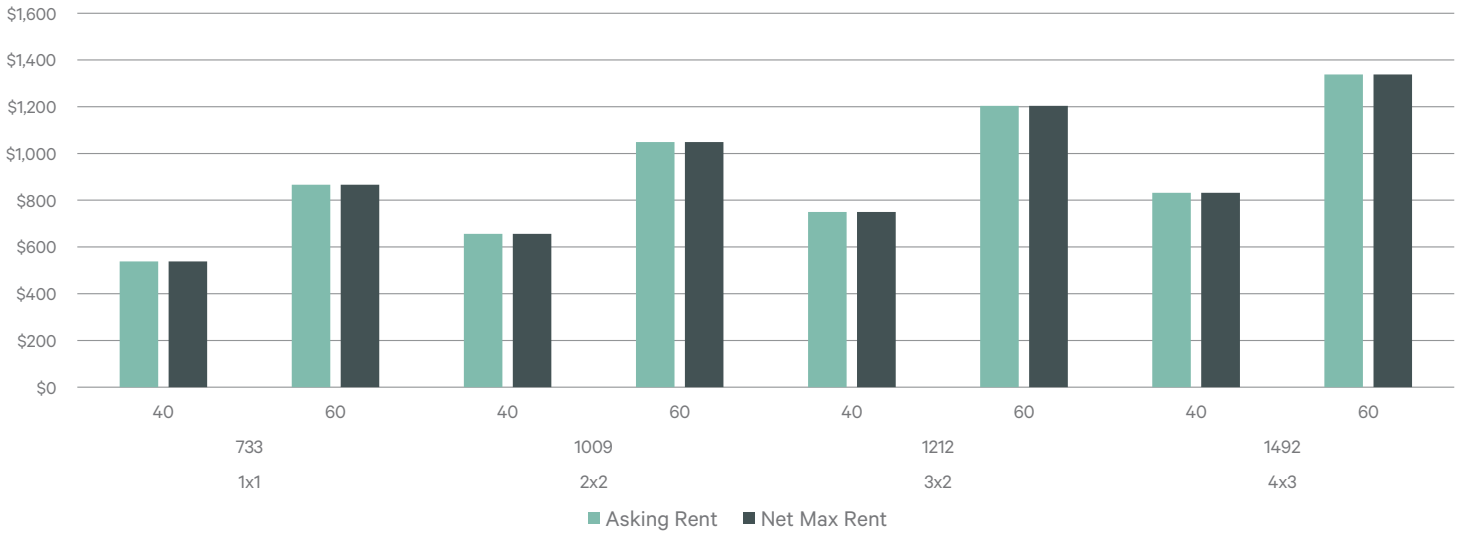

- 6% of the units are occupied by residents utilizing Section 8 vouchers
- Current asking rent is based on the July 31, 2026 rent roll
- The utility allowances were effective on March 1, 2026
- As of January 1, 2026, only eight units are required to be restricted at 40% AMI; the rent on the other 24 units can increase to the 60% AMI level. Analysis reflects this lower minimum threshold in the Year 0 number of units column and Year 0 total rent calculation

Affordability Restrictions

- LIHTC LURA: Restricts 32 of the units at 40% AMI and the remaining units at 60% AMI. 40% of the units shall be rented to farmworker households and/or commercial fishing worker households. At the borrower's option, and with prior written notice to Florida Housing, after the first 15 years of the Compliance Period (i.e. December 31, 2025), the number of units restricted at 40% AMI may be reduced to the 10% minimum threshold. Final year of restrictions is 2060
- HOME LURA: Restricts one of the units at the lesser of FMR or 50% AMI and two of the units at the lesser of FMR or 65% AMI. Restrictions began the earlier of: (i) the first day of the first taxable year of the Credit Period, (ii) the termination of the last lease executed prior to Loan closing, or (iii) the date the first unit in the Development is occupied; and will end 50 years thereafter (i.e. 2060)
