PROPERTY **OVERVIEW**

The Meetinghouse at Collins Cove is a 160-unit affordable housing community for Seniors 55+ located in Jacksonville, FL, The property is situated in Jacksonville's Westside/Jacksonville Heights area, a predominantly residential, value-oriented location with convenient access to Collins Road, I-295, Orange Park, and the broader Jacksonville employment base. The area benefits from proximity to Naval Air Station Jacksonville, one of Northeast Florida's major economic anchors, as well as defense-related operations, logistics, distribution, healthcare, retail, and service-sector employment throughout the metro. Jacksonville's broader economy is supported by a large regional labor pool and diversified strengths in transportation, financial services, technology, manufacturing, life sciences, and corporate operations. Residents have access to everyday shopping, dining, and services along nearby commercial corridors, while larger entertainment, cultural, sports, riverfront, and outdoor offerings are available throughout Downtown Jacksonville, Riverside/Avondale, the St. Johns River corridor, and the beaches. Overall, the location offers an accessible West Jacksonville setting with practical connectivity to employment centers and regional amenities.

The property was built and placed in service in 2005 under the Section 42 Low-Income Housing Tax Credit (LIHTC) program. There is an existing regulatory agreement in place which requires all units to be rented to income qualifying residents earning no more than 30% and 60% of the Area Median Income (AMI) limits, which are provided by the Florida Housing Finance Agency.

JACKSONVILLE, FL **LOCATION OVERVIEW**

Jacksonville, FL is a major Northeast Florida metropolitan hub offering a diverse economy, extensive transportation connectivity, and a broad range of residential, employment, and lifestyle amenities. Positioned along the St. Johns River and near the Atlantic Coast, the city benefits from access to Interstate 95, Interstate 295, Interstate 10, Jacksonville International Airport, the Port of Jacksonville, and major rail and logistics infrastructure. Its economy is supported by significant employment in financial services, healthcare, logistics and distribution, defense, advanced manufacturing, technology, education, and professional services. Jacksonville also provides a variety of entertainment and recreation options, including professional sports, riverfront dining and entertainment districts, cultural venues, expansive park systems, golf courses, and nearby beaches. With a relatively affordable cost structure compared with many large coastal markets and a growing regional population, Jacksonville continues to serve as an important economic and residential center for North Florida and Southeast Georgia.

EMPLOYMENT **HUBS**

Naval Air Station Jacksonville

Naval Air Station Jacksonville is one of the Navy's finest and fastest growing installations. As the largest Navy Base in the Southeast Region, and the third largest in the U.S., the base is a key economic driver in Jacksonville.

- 19,800 workers
- $2.1 billion economic impact

Baptist Medical Center

The Baptist Medical Center serves as the central hub of the Baptist Health system.

- 12,720 total employees
- 1,168 total beds

Naval Station Mayport

One of three Navy installations in the Jacksonville area, Naval Station Mayport is capable of harboring 34 ships and boasts an 8,000-foot aircraft runway. The military generates an economic impact of $1.7 billion and supports more than 123,300 jobs.

- 14,000 employees
- 3,400 acres

Unmatched Connectivity to Metro Destinations & Employment HUBS

CULTURE, LIFESTYLE, & RECREATION

Jacksonville offers a diverse culture and lifestyle shaped by its riverfront setting, Atlantic beaches, historic neighborhoods, and broad range of entertainment options. Residents can enjoy museums, public art, galleries, performing arts, festivals, and live-music venues throughout Downtown, Riverside/Avondale, San Marco, Springfield, and the beaches, while local dining ranges from waterfront restaurants and neighborhood cafés to breweries and nightlife districts. Outdoor recreation is a significant component of the area's appeal, with access to beaches, waterways, parks, trails, golf, boating, fishing, kayaking, and nature-oriented activities across Northeast Florida. The city also supports an active sports culture, including professional football, minor-league baseball, collegiate athletics, and year-round recreational programming. Together, these amenities create a lifestyle that combines urban entertainment and distinctive neighborhood character with extensive access to coastal and outdoor recreation.

NEW DEVELOPMENTS

Jacksonville continues to experience meaningful investment across corporate, industrial, healthcare, entertainment, and mixed-use development sectors. In 2025, the Northeast Florida region announced 12 business expansion or relocation projects representing more than 2,400 planned jobs and approximately $923 million in capital investment, led by advanced manufacturing, aerospace, logistics, financial services, and corporate operations. Notable commitments include Otto Aviation's planned headquarters and aircraft-production operation at Cecil Airport, Phoenix Products' 231,000-square-foot manufacturing expansion, and Swisher's $135 million manufacturing investment expected to create at least 240 jobs by year-end 2027. Downtown development is also advancing through the Stadium of the Future renovation, targeted for completion in August 2028, as well as Gateway Jax's Pearl Square mixed-use redevelopment, which is planned to introduce more than 1,250 residential units, a boutique hotel, retail, dining, and public-space improvements. In healthcare, Mayo Clinic's expanded patient tower added five floors and 166 beds, reinforcing Jacksonville's role as a regional medical destination. Together, these projects reflect continued confidence in Jacksonville's business environment, transportation infrastructure, labor force, and long-term growth prospects.

TRANSPORTATION

Jacksonville benefits from a well-developed multimodal transportation network that supports regional connectivity, commuting, and the area's significant logistics economy. The city is served by Interstates 95, 10, and 295, providing access to major Florida markets and the broader Southeast, while Jacksonville International Airport offers convenient commercial air service for business and leisure travel. Public transportation is provided by the Jacksonville Transportation Authority through bus service, paratransit, and downtown transit options. Jacksonville's position on the St. Johns River also supports one of Florida's key deepwater ports, with JAXPORT providing access to major highway corridors, on-dock and near-dock rail infrastructure, and global shipping routes. Freight connectivity is further strengthened by service from CSX, Norfolk Southern, and Florida East Coast Railway, reinforcing Jacksonville's role as a major distribution and supply-chain hub for Florida and the Eastern United States.

Jacksonville International Airport

- 7.5 million passengers in 2025
- $44 billion economic impact in 2025

DISCLAIMER

The material contained in this document is confidential, furnished solely for the purpose of considering investment in the property described therein and is not to be copied and/or used for any purpose or made available to any other person without the express written consent of Berkadia Real Estate Advisors LLC and Berkadia Real Estate Advisors Inc. In accepting this, the recipient agrees to keep all material contained herein confidential.

This information package has been prepared to provide summary information to prospective purchasers and to establish a preliminary level of interest in the property described herein. It does not, however, purport to present all material information regarding the subject property, and it is not a substitute for a thorough due diligence investigation. In particular, Berkadia Real Estate Advisors LLC, Berkadia Real Estate Advisors Inc. and Seller have not made any investigation of the actual property, the tenants, the operating history, financial reports, leases, square footage, age or any other aspect of the property, including but not limited to any potential environmental problems that may exist and make no warranty or representation whatsoever concerning these issues. The information contained in this information package has been obtained from sources we believe to be reliable; however, Berkadia Real Estate Advisors LLC, Berkadia Real Estate Advisors Inc. and Seller have not conducted any investigation regarding these matters and make no warranty or representation whatsoever regarding the accuracy or completeness of the information provided. Any pro formas, projections, opinions, assumptions or estimates used are for example only and do not necessarily represent the current or future performance of the property. Artificial Intelligence tools may have been used in creating this information package and the information herein.

Berkadia Real Estate Advisors LLC and Berkadia Real Estate Advisors Inc. and Seller strongly recommend that prospective purchasers conduct an in-depth investigation of every physical and financial aspect of the property to determine if the property meets their needs and expectations. We also recommend that prospective purchasers consult with their tax, financial and legal advisors on any matter that may affect their decision to purchase the property and the subsequent consequences of ownership.

All parties are advised that in any property the presence of certain kinds of molds, funguses, or other organisms may adversely affect the property and the health of some individuals. Berkadia Real Estate Advisors LLC and Berkadia Real Estate Advisors Inc. recommend, if prospective buyers have questions or concerns regarding this issue, that prospective buyers conduct further inspections by a qualified professional.

The Seller retains the right to withdraw, modify or cancel this offer to sell at any time and without any notice or obligation. Any sale is subject to the sole and unrestricted approval of Seller, and Seller shall be under no obligation to any party until such time as Seller and any other necessary parties have executed a contract of sale containing terms and conditions acceptable to Seller and such obligations of Seller shall only be those in such contract of sale.
